In addition, players and teams born in 2001 or 2002 (U19) can take part. Teams from the B-Nations can take part with **no age limit**.
- The first three teams (B-Nation) of the EM U23 have the possibility to participate at UCI Cycle Ball World Cup 2020. The eventuality of a start depends on the number of the registered B-Teams. The nominations will be communicated by the UCI.
- Furthermore, the host receives a "Wild Card". A supplement of the field (if insufficient registrations) is possible. It will be done by UEC based on the latest European Championships U23 result. Therefore, we ask AUT, GER and CZE, to register a second team - just in case. Nations may participate with two teams, must provide one UCI commissaire. If not, this nation loses one starting spot and the next nation is allowed to start with two teams under the same conditions.
