## 1. INTRODUCTION

This year for the first time @Papendal: the UEC BMX European Cup. Where power, technology and guts come together. Where the world's best BMX riders compete with each other. But also the place to introduce the youngest BMX riders to Papendal.

## 2. TRACK DETAILS

The BMX Supercross track at Olympic Training Centre Papendal was built in 2011, going into the Olympic Games of London, a copy of the Olympic track was created. Over the years several changes were made. For example, going into the Olympic Games of Rio de Janeiro 2016, the middle of the track was changed into the Olympic design.

In 2018 the UCI announced that Papendal's bid for the World Championships in 2021 was approved. Therefore in 2019 a 5 meter starting ramp was built and changes to the first straight were made, in order to make the track accessible to all riders. This European Cup provides BMX-riders of all ages with a great opportunity to discover the challenging Papendal track for the first time.

### 3. THE CITY OF ARNHEM

Even the city is green in the Arnhem region. The diversity of the area's parks makes it very inviting to stroll, enjoy a picnic or just be lazy. But don't linger too long, because Arnhem has so much more to offer. As a fashion and design city, for example, with its famous fashion district, Modekwartier, collections from the art and fashion academy ArtEZ and its seven unique streets, the 7straatjes. And it is a city with a rich and eventful history. Go on a historic city walk or follow the Liberation Route past impressive monuments and places of remembrance associated with the renowned Battle of Arnhem.

Right on the outskirts of Arnhem you will find the magnificent Veluwezoom, the oldest National Park in the Netherlands, where you can hike and bike for miles across beautiful heathland and past vast country estates, country houses and castles. A little further to the south, you will arrive in the area known as De Liemers where the River Rhine makes its way through a glorious river landscape as it flows into the Netherlands from Germany. This is an area where you can have lots of fun in and around the water – in the recreational area called De Bijland for example – and enjoy the most delicious regional products grown in the fertile river soil.

The Arnhem region is a great place to enjoy culinary delights, no matter whether you visit an elegant castle restaurant or a cosy brasserie, an outdoor café in the city or a farmhouse garden. It is a place to enjoy local specialities or international cuisine, or a delicious Dutch pancake – with syrup, of course!
