**Oggetto:** 2020 UEC MTB European Championships - Monteceneri (SUI) - corona quarantaine

Dear National Federations,

According to the article 4d of the "Ordinance on Measures to Combat the Coronavirus (COVID-19) in International Passenger Transport", you may enter and stay in Switzerland up to 5 days and are exempted from a quarantine: <https://www.admin.ch/opc/en/classified-compilation/20201948/index.html>

**For absolute clarity for all members of your delegation (riders and staff) who have within the previous 10 days stayed for any time in a country or area with an increased risk of infection with the Sars-Cov-2 coronavirus (country or area with an increased risk of infection) one qualitative test for the detection of SARS-CoV-2 nucleic acid (PCR type) is mandatory no more than 72 hours before their entry in Switzerland and provide, on demand, evidence of having done so.**

Moreover, the attached self-declarations for athletes, team staff, media and guests will have to be given by team managers during the registration procedure and to the laboratory if a PCR test will be required.

For riders and staff who have been unable, for whatever reason, to be tested prior to arrival in Switzerland we have arranged a testing facility with the laboratory

Centro Medicina di laboratorio Dr Risch  
Via Arbostra 2 - 6963 Pregassona Lugano - CH

**E-Mail bookings:** [TI01frontdesk@risch.ch](mailto:TI01frontdesk@risch.ch)

This fully accredited laboratory will conduct the RT-PCR protocol for any member of your team at a cost of **CHF 106** per test, with an expected turnaround of 36/48 hrs.

Very kind regards

### Enrico Della Casa
