

## UEC Road Championships Trento (ITA) 08<sup>th</sup>-12<sup>th</sup> Sept 2021

Following further meetings with the LOC in Trento this week we would like to avail you of information received from them in relation to accommodation for the forthcoming UEC Road Championships in Trento.

They would like to advise that only hotels booked through [booking@trentino2021cycling.eu](mailto:booking@trentino2021cycling.eu) have been properly instructed by the race organisation concerning the Covid 19 protocol and athlete bubble requirements for the event.

Furthermore, rooms in the area are fast filling up for the championships and the general advice is to book as early as possible.
