**Subj.:** Cover letter

Dear ladies and gentlemen,

I wish to inform you of my intention to run for the positions as member in the UCI Management Committee & UEC Management Board.

I am involved in the mountain bike cycling since 1988 and from 1989 I am a member of the Czech Cycling Federation, as well as chairman of the MTB commission.

Since then, I have been working on the cycling expansion in the Czech Republic, namely MTB discipline.

Due to the fact that I devoted myself to MTB and Czech cycling evolvement with such commitment, I was elected a president of the Czech cycling federation in 2018.

I am confident that my experience and accomplishments will benefit the UEC Management Board and increase the prestige of cycling in Europe.

Please refer to attached CV for further information and achievements.

Your sincerely,

Petr Marek
