**Application Rocco Cattaneo as a candidate for the UCI Management Committee  
and Doris Turin as a voting delegate**

Dear Sir / Madam

We refer to your letter of December 2020 in which you informed us about the various electoral procedures for the next 2021 UEC Congress. Herewith, we would like to express the support of the national cycling federation Swiss Cycling for the application of Mr. Rocco Cattaneo as a candidate for the UCI Management Committee as well as Mrs. Doris Turin as a voting delegate.

Mr. Rocco Cattaneo as current UEC president will lose his seat in the UCI Management Committee because of his resignation as UEC president. We would like to support his application as he ensures a long-term continuity in the Committee.

Mrs. Doris Turin is a long-time vice president of Swiss Cycling and she has excellent expertise in European cycling, especially in the road and track disciplines. Because of her credibility and independence, we recommend Mrs. Doris Turin as a voting delegate.

We would be pleased if you could take into account the applications in the attachment. Thank you for your attention.

Yours faithfully,

Patrick Hunger  
Co-President
