WHY THIS PROJECT?

43% OF TEENAGE GIRLS
DISENGAGE FROM SPORT

GENDER GAP

Too many girls leave sport during adolescence.
MTB is no exception.

Across Europe, teenage girls are significantly more likely than boys to stop practising sport due to confidence issues, social pressure, safety concerns and environments that do not always reflect their needs.

Fair Ride Europe uses MTB to create a safer, more inclusive and inspiring European sporting experience.

OUR GOAL

SAFER, MORE INCLUSIVE AND INSPIRING SPORT ENVIRONMENTS

WHY JOIN?

- International experience
- European network
