## REGULATIONS

---

The UEC European Championships Cycle Ball U23 will be played in a final event

**Date:** In general 38. Calendar week of the year.  
The UEC European Championships Cycle Ball U23 can take place on one or two days, depending on the local conditions.

**Participants:** All European federations can register one team. A-Group nations according to the result of the last World Championships, only can register players in the age group U23. In addition, players and teams of the age group (U19) can join. Teams from the B-Nations can take part with no age limit.

Furthermore, the host receives a "Wild Card", taking into account of the general participation rules. A supplement of the field, if less than 10 Teams registered, is possible. It will be done by UEC based on the latest result of the UEC European Championships Cycle Ball U 23. Therefore, we ask all Nations Group A, to register a second team. Nations, which ultimately take part with two teams, must submit a commissaire, otherwise they may lose a starting place.

With an increase in the number of nations, the UEC Commission may increase the participation rate up to 12 teams. In this case, the game mode will be changed accordingly.
