

Emergency rules to be followed in the context of the coronavirus pandemic

1. mandatory mask for everyone in all zones (except athletes in the green zone; in the yellow zone wearing is mandatory)
2. depending on the number of participants, the blocks (Blocks 1/2/cruiser/3) must start and finish the race. The athletes after the finish of their race must move to the white zone to avoid too many groups at the same time in the yellow zone.
3. creation of bubbles for each country must be clearly marked out by barriers and inside for the various zones assigned to UEC Teams and others; the Team Manager/Assistant/Crew will have to independently manage the athletes from both challenge and championships, since no one else can enter the yellow zone.
4. each athlete must have a tent in which to stay or join some other team that will take the responsibility.
5. access to bicycles will not be permitted in the white zone.
6. In the yellow zone only athletes who currently have to compete and Team Managers and Assistants will be permitted with the usual yellow bracelets and Pass and only yellow bracelets for the Crew
7. Rider Registration and Team Area Registration will be done at the Welcome Centre "Quartier Sainte Croix";
8. Heats and results will not be shown on the board as usual. Team Managers and Assistants will have to inform athletes by consulting the fb JS TIMING page
9. Team managers area will be on the side hill and on top of the finish concrete hill (only for practice). Only Team managers and Assistant will be allowed to access to both areas.
10. Self-declaration for athletes, Chef d'Equipe, team assistant and team crew will have to be given by team managers during the registration procedure.
