ARTICLE 5. RACES PROCEDURES

XCO START PROCEDURE

For all XCO races, the start procedure will be conducted according to the following UCI MTB Regulations:

UCI RULES

- 4.1.030 For Olympic Games, World Championships, World Cup and Continental Championship events and hors class events, the organiser must make provisions for a call-up area which is sufficiently large for riders to warm up in, close to the start zone.

4.1.031 In mass start events, riders must be called to the start no earlier than 20 minutes before the scheduled start of the race. This period can be reduced where the number of riders allows.

Five minutes before the call-up an announcement must be made over the public address system to inform riders of the fact, and again three minutes beforehand.

The riders shall line up in the order in which they are to be called to the start line.

The number of riders on each line will be decided by the president of the commissaires' panel and supervised by a commissaire.

The rider himself shall decide which position on the line to take. Once the riders are lined up, warm-up (by rollers, turbo trainer etc.) is excluded inside or outside the start area.

The start will be given by the commissaire using the following the procedure: warnings at 3, 2, 1 minutes and 30 seconds before the start, then a final announcement that the start will be given within the next 15 seconds.

A starting pistol or start lights, if none is available, a whistle will be used to give the start.

4.1.02 The start briefing will be given in at least one of the official languages of the UCI.

Masters:

The start order for all Masters categories will be as follows:

1. defending European champion 2019 of the category concerned;
2. according to the order of the on-line registration

XCE RACE PROCEDURE

For the Qualifying round, the start will be given on the basis of the most recent UCI XCO individual ranking published. The best ranked riders starting first.

In the XCE elimination heats, there will be 4 riders starting per heat.

ARTICLE 6. TECHNICAL ASSISTANCE

The following UCI Regulations will be applicable:

UCI RULES

4.2.044 No rider may turn back on the course to reach a feed/technical assistance zone. Any rider doing so is disqualified. Only within the feed/technical assistance zone itself, a rider may turn back without obstructing other competitors

4.2.045 Technical assistance during a race is permitted subject to the conditions below.

4.2.046 Authorised technical assistance during a race consists of repairs to or the replacement of any part of the bicycle other than the frame.

Bike changes are not permitted and the rider must cross the finishing line with the same handlebar number plate that he/she had at the start.

4.2.047 Technical assistance can only be given in the feed/technical assistance zones.

4.2.048 Spare equipment and tools for repairs must be kept in these zones. Repairs and equipment changes can be carried out by the rider himself or with the help of a teammate, team mechanic or neutral technical assistance.

4.2.049 In addition to technical assistance in feed zones, technical assistance is permitted outside these zones only between riders who are members of the same UCI ELITE MTB team, UCI MTB team or of the same national team.

During the European Championships, it is only authorised between riders of the same national team, and racing in the same category.

Riders may carry tools and spare parts provided that these do not involve any danger to the rider himself or the other competitors.

ARTICLE 7. TECHNICAL ASSISTANCE / FEEDING ZONES

In XCO races, 2 single technical assistance / feeding zones will be organized.

The location of the technical assistance / feeding zones will be shown in appendices.

Technical assistance / Feed zone passes will be distributed immediately after the Team Managers meeting.

A neutral technical assistance will be organised by VITTORIA.

ARTICLE 8. AWARDS CEREMONIES
