

INFO BULLETIN n.1

We are delighted to advise that following extended dialogue with BMX Zolder LOC and Health Ministry of Belgium we have today received confirmation that local health authorities have given the green light for the forthcoming UEC European BMX Championships due to be held in Zolder, Belgium from 09th - 11th July 2021.

However, due to ongoing restrictions only categories from 13+ years will be able to participate. Whilst we understand the disappointment which will be felt by many in classes which are normally included in our Championships I trust you understand that in the circumstances we are grateful that our stakeholders have worked tirelessly to ensure that we can have any UEC BMX Racing Championships this year.

Please note that we have this year for the first time created new European Champions in the categories (M&F15) and (M&F16)
