1. INTRODUCTION

Valmiera Olympic Centre and the city Valmiera are very proud to welcome you to the BMX track, inspired by the great achievements of two-times Olympic gold medallist Maris Strombergs.

2. TRACK DETAILS

The track is 330 meters long, with two starting hills (8 and 5 meters high) and three start gates (8, 5 and 3 metres high). BMX track configuration has been developed by "PRO TRACKS" – experienced developers of several Olympic BMX tracks.

3. THE CITY OF VALMIERA

Valmiera – Evergreen City, Sports Municipality in Latvia 2021

Though Valmiera is an industrial city, it is actually part of a forest. Entrepreneurship and a dynamic lifestyle interact harmoniously with a natural environment. The equally enjoyable options of peace and constant motion are both on offer. A few minutes' walk will take you from any place in the city to a forest, park, meadow or the banks of the picturesque river Gauja. At the same time, you can soak up the vigour of the city and make the most of its opportunities.

The symbol of Valmiera is a Growth Medal. It is the hometown of outstanding athletes, including the first Olympic BMX racer and double Olympic BMX race champion, Māris Štrombergs. The highly developed and multi-functional sports infrastructure, along with our pleasant and natural urban environment, attract professional athletes to training camps and sports event organizers to run international sporting events in Valmiera. There is a swimming pool and a BMX track, sports fields, an ice hall and a multi-sports hall that comply with international standards, with a modern track-and-field arena.

In 2021 the renovated stadium and the new track and field athletics arena opened. The stadium named after Jānis Daliņš, the winner of the first for Latvia Olympic medal, is a sports building of national significance with state funding, with the active participation of the Latvian Athletics Association in the design process. Furthermore, the stadium and the landscaped area of the stadium are freely available to all lovers of active recreation.

Walking down Riga Street in Valmiera, a rather unusual picture appears before your eyes, as you suddenly find yourself at eye level with the treetops. Take a closer look and you'll get a bird's eye view on a beautiful forest containing an amazing new site for active recreation, open to everyone – the new sports and active recreation park, the Forest.

This year Valmiera will celebrate its 739th birthday. Welcome!

One weekend before the European Cup in Valmiera, another BMX races will take place in Valmiera. The 4th stage of the Latvian Cup will take place on June 18 and 19, 2022. To find out more about the competition and register for it, please send an e-mail to bmj@lrf.lv.
