Article 8- Final Lap Road Races Col du VAM

For the final lap on the Col du VAM, the organization works with a plan A and a plan B. The reason is that a new climb is being worked on the Col du VAM, of which it is not certain whether it will be ready in time. This technical guide is based on the current situation (plan A).

Plan B is to use the new climb, this climb then replaces the current first climb. A decision will be made no later than two months before the European Championship **on 26 July 2023**.

If that is the case, then it has no consequences for the current finish and the distance of the final round. With plan B, the current finish climb and finish remains unchanged.
