**2023 UCI Sharing Platform**

Dear President,

We are pleased to invite you to the upcoming edition of the UCI Sharing Platform (USP) for European National Federations which will be held on:

**Saturday 4 March 2023, from 9.00 to 13.00  
at the OREA Hotel Pyramida  
Belohorska 24, 169 00, Praha, Czech Republic**

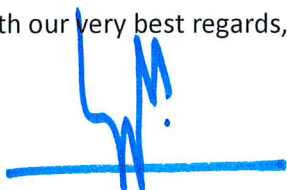

The USP will take place prior to the Union Européenne de Cyclisme (UEC) Congress being held the next day.

The UCI Sharing Platform provides an opportunity for our National Federations to meet and learn from each other by sharing their experiences and knowledge. Importantly, the USP is the perfect occasion for the UCI to meet its National Federations and provide the support and guidance they may require to develop cycling in all its forms and at all levels.

The event will include the UCI's Climate Action training and presentations on the structure and resources of the UCI Sports department. A presentation will also be given on safety during races. To conclude the session, the UCI Cycling Integrity programme will be presented to the participants. Please find enclosed the USP agenda for your perusal.

We very much look forward to meeting you in Prague next week.

With our very best regards,

David Lappartient  
President  
IOC Member

Enrico Della Casa  
UCI Vice-President  
UEC President
