TRANSPONDERS

- Installation on the bike's front fork (see picture).
- Riders are responsible for returning their transponder in the finish area.
- Failure to return the transponder will result in a 100 euro charge assessed to the National Federation.

BODY BACK NUMBER

- To ensure good visibility for the photo finish, the body numbers must be placed on the Left.
- In muddy conditions please clean number plate before crossing finish line.

CALL UP FRONT ROW (FIRST 8 RIDERS)

- The riders of the front row will be called separately and must stay in the dedicated boxes, which is located right beside the start/finish arch.

XCO START

- Please remind your riders if they are called to the front row that the front wheel must be on or behind the line, not in front. Please see the picture below, this is not acceptable and is starting to attract comments from television viewers.

OFFICIAL CEREMONY / PRESS CONFERENCE

- As per the schedule.
- Top 3 riders must be present in racing attire, wearing national federation outfit.
- **Without:** cap, headband, glasses, bottles or gloves.
