

Cheile Grădiștei

"A fairytale landscape". This is the first thing our guests usually say when they arrive at the Fundata resort and admire the overwhelming view of the Piatra Craiului and Bucegi mountains. The resort is located 35 km away from Brasov and 5 km away from the Moieciu resort, There is only one access road, through Cheile Grădiștei Moieciu, on a private road.

Fresh air and more than 20 activities for the entire family. Sports for both beginners and professional athletes, energy and adrenaline. Local flavors in an Instagram landscape. One Resort, in two already famous locations - Moieciu and Fundata.

A wide variety of amenities for national and international competitions in special conditions, at 1300 meters above sea level.

Cheile Grădiștei Fundata is home for all sports! In the area especially designed for those passionate about outdoor exercise, you will find mountain running trails, fitness equipment, a mountain bike initiation circuit, pump-track and balance ramps.
