

37th UEC Congress

**Bratislava (Slovakia)
9 March 2025**

The European Cycling Union (UEC) was founded on 7th April 1990 at the request of 18 countries. It now represents 51 affiliated nations and 1 associate member in Europe.

The UEC is one of the 5 continental confederations which are members of the International Cycling Union (UCI).

The UEC seeks to promote the interests of European cycling in all disciplines and to represent the interests of European cycling federations.

UEC's main aim is the development and encouragement of all cycling disciplines in Europe. It organises all the European Championships and European Cups.

National Federations

Associate Member

2025 UEC Congress

To the Management Committee of

UNION EUROPEENNE DE CYCLISME (UEC)
Lausanne

Independent Auditor's Report on the Audit of the Financial Statements 2024

(for the period from 01.01 to 31.12.2024)

11 February 2025
42'349/2151'2833/17'207'020/E-2

INDEPENDENT AUDITOR'S REPORT

To the Management Committee of UNION EUROPEENNE DE CYCLISME (UEC), Lausanne

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of UNION EUROPEENNE DE CYCLISME (UEC) (the Association), which comprise the statement of financial position as at 31 December 2024, and the statement of income for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements comply with Swiss law and the association's articles of incorporation.

Basis for Opinion

We conducted our audit in accordance with Swiss Standards on Auditing (SA-CH). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Association in accordance with the requirements of the Swiss audit profession, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Management Committee is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's reports thereon.

7. Auditor's report on the 2024 accounts

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management Committee for the Financial Statements

The Management Committee is responsible for the preparation of the financial statements in accordance with the provisions of Swiss law, and for such internal control as the Management Committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management Committee is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management Committee either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SA-CH will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located at EXPERTsuisse's website at: <https://www.expertsuisse.ch/en/audit-report-for-ordinary-audits>. This description forms part of our auditor's report.
