	Finals x 1	Final	2 heats of 6 in the Final

Number of heats

The table above shows the number of heats in each round. For the Qualification phase, the number of heats should be chosen so that as many heats as possible have four riders.

6bis.6.004 A run is the individual unit of Competition in a BMX Freestyle Event, during which a rider performs a routine of various tricks that the judges evaluate.

PARK COMPETITIONS

At all phases of the Competition, each rider shall do two runs within each heat.

Riders generally start their first run in the order defined in Article 6bis.6.005. Once the final rider in each heat has taken their first run, the riders will start their second run in the same order.

COMPETITION FORMAT FLATLAND

For Flatland Competitions, riders are organized into heats at the organizer's discretion. Periodic breaks may be inserted into the program to allow the rider to rest and warm up. The combination of phases and heats (if applicable) for a category depends on the number of entries and is found in the following table:

UCI BMX Freestyle Ranking Points (1st place – 24th place):

Eindhoven (NED) 3 - 5 October 2025

The performance of each rider is judged on overall impression, including but not limited to:

- a. Difficulty/risk
- b. Flow/style
- c. Originality (tricks and lines) and versatility
- d. Consistency (refers to the stability, fluidity, and control of manoeuvres performed)
- e. Variety of tricks
- f. Control of the tricks
- a. Bike control
- h. Execution

Duration of one run: 3 minutes (men) and 2.5 minutes (women)

The judges shall not consider any trick that is not completed when the clock reaches 0.

FLATLAND COMPETITIONS

At all phases of the Competition, within each heat, each rider shall complete one run; the riders shall conduct this run in the start order defined in Article 6bis.6.005.

Qualification Phase

The start order in the Qualification phase is determined randomly unless a UCI ranking from the UCI World Championships or a series ranking is used. In that case, the start order of the Qualification phase is based on the reverse order of the series ranking among the participating riders. Unranked riders shall ride first, in random order.

The start order of the semifinal phase (if it is done) is in reverse order of the results of the Qualification phase.

6bis.6.007 Within the Final phase, the start order is in reverse order of the results of the preceding phase. 6bis.6.008 Within each phase of the Competition, the riders in each heat are entitled to a warm-up before their heat begins.

Within each phase, a 3-minute warm-up period will be allowed on the riding surface of the Flatland Area, with a maximum of 8 riders per period. The first group of riders shall also be entitled to this 3-minute warmup before starting the Competition.

6bis.6.009 In the Semi-final (if held) and the Final, any rider who is not present within the Field of Play (FOP) or the riders' area, as described in the Competition Guide, by the start of the warm-up period preceding that phase, shall not be allowed to start. They will be scored as DNS ("Did Not Start") for the corresponding phase.

6bis.6.010 If one or more riders do not start in a Semi-final or the Final due to missing the deadline described in Article 6bis.6.009, the heats shall be redrawn as described in Article 6bis.6.003.

If one or more riders withdraw (or are disqualified or refuse to start) after the deadline described in Article 6bis.6.009 has passed, the heats will not be altered.

RULES

BMX Freestyle Competitions are judged events, in which riders are scored based on their skill at executing a routine, including one or more of a variety of manoeuvres known as "tricks", specifically in the Flatland discipline.

After the riders' confirmation, the organization shall draw up the start lists and practice groups (if applicable) for the Competition based on the UCI World Ranking as of 12 November 2024.

The Panel of Judges is responsible for evaluating the riders' performance during the Competition and for delivering their scores.

Should the bicycle or one of its components break during a run, the rider may decide whether to continue, stop, or replace their bicycle with another. In no case will a time-out or extra time be given.

A BMX Freestyle Competition for each category may consist of the phases (Qualification, Semi-final, or Final) described below and a number of heats within each phase.

USE OF DRONES

Without prejudice to stricter requirements under national legislation, drones are prohibited indoors.

REGISTRATION AND RIDERS' CONFIRMATION

Pre-registration is required for registration in the Men's Elite and Women's Elite categories. Once the pre-registration deadline has passed, no further entries will be accepted.

REGISTRATION REGULATIONS

A valid cycling license, as defined in Part I of the UCI Regulations, will be required and presented upon riders' confirmation to check their identity. An identity card or passport is also mandatory. Once all registration terms are completed, the organization will provide riders with their accreditation during the registration process, allowing them to enter the competition area.

All riders must keep their accreditation throughout the event; otherwise, access to the park will be denied. A rider whose license cannot be verified and whose status as a non-suspended license holder cannot be established in any other manner may not participate and may not be included in the classification of the event.

Entry into the competition implies agreement with the event schedule, regulations, and all provisions of the Technical Guide.

TRAINING

Training groups will be set up following the last update of the UCI Individual Ranking. If a flight cancellation, luggage delay, illness, or any other reason prevents you from training with the assigned group, please get in touch with Andy Zeiss at a.zeiss@uec.ch.

Riders must be fully registered before participating in their first practice; they are not permitted in the competition venue until they are completely registered.

AWARD CEREMONY & PRIZE MONEY

In accordance with Articles 1.2.112 and 1.2.113 of the UCI Regulations, the three best riders in each category are required to attend the official awards ceremony and any interviews that may be organized. The award ceremony will take place immediately after the final; please stay in the park to hear the final results announced.

Every European Championship will be awarded with:

The 1st place: Champion(s) jersey and Gold medal

The 2nd place: Silver medal The 3rd place: Bronze medal

ANTI-DOPING

The UCI antidoping regulations apply entirely to the event. The International Testing Agency (ITA) will conduct the anti-doping test.

The anti-doping tests will take place in Area51.

A chaperone will accompany the respective athletes to the office of the Doping Control Officer.

PENALTIES

The UCI penalty scale is the only one applicable.

RESPONSIBILITIES

The organiser and UEC will not be liable for any accidents or damage that occur during training and competitions. The organiser and UEC decline all responsibility towards the riders and others in the event of an accident.

The UCI rules will apply to all cases not covered by these specific regulations. Any issues will be resolved among the organizers, the Commissaires Panel, and UEC officials.
