| ▪ Women Junior | for XCO / XCC /XCR | (aged 17 and 18) |

- 2.3. It is entered on the UCI calendar as a Continental Championships event (UCI CC).

ARTICLE 3. PARTICIPATION

3.1. Cross Country Short Track (XCC)

XCC will be organised for the following categories:

Men Elite, Women Elite, Men U23, Women U23, Men Junior and Women Junior.

Participation for all categories:

Total riders that may be registered: 12 riders per category/per nation.

Maximum 8 riders to start per category/per nation.

3.2. Team Relay (XCR)

In accordance with the UCI rules, article 9.2.032, for the team relay, each nation may enter only one single team.

Each national team shall be made up of 6 riders as follows: 1 Men Elite, 1 Women Elite, 1 Men U23, 1 Men Junior, 1 Women U23 and 1 Women Junior.

However, the following substitutions shall be permissible:

- **1 Men Elite** by Women Elite or Men U23 or Men Junior or Women U23 or Women Junior
- **1 Women Elite** by Women U23 or Women Junior
- **1 Men U23** by Women Elite or Women U23 or Men Junior or Women Junior
- **1 Women U23** by Women Junior
- **1 Men Junior** by Women Junior
- **1 Women Junior** (compulsory)

For the UEC European Championships Team Relay, the team manager must use the form provided, to notify the names and categories of the riders making up their team and their start order to the President of the Commissaires' panel, on Thursday, 30 July **at 18:30**, at the Race Office.

This start order may not be altered subsequently.

The exchange boxes will be allocated on the basis of the results of the team relay event in the preceding European championships. The order of nations not placed will be determined by drawing lots. The first nation will be installed in box number 1 and so on.

Note that UCI points which will be awarded to the team relay will be given to the nation and not to the individual riders.

3.3 Cross Country Olympic Format (XCO)

XCO will be organised for the following categories:

Men Elite, Women Elite, Men U23, Women U23, Men Junior and Women Junior.

Participation for all categories:

Total riders that may be registered: 12 riders per category/per nation.

Maximum 8 riders to start per category/per nation.

3.4. Riders' registration - Final confirmations times

The National Federations have to register their riders and staff **on the UEC website:**

<https://uec.evodata.it/landing/index.php>

The registration will open on

The registration will be closing on

19 July 2026 (23.59 CET)

3.5. Riders ages

The age of a rider, defined according to the UCI Regulations, shall be determined by the difference between the year of the event and the year of birth of the rider.

ARTICLE 4. RACES PROCEDURES

4.1 XCO / XCC - start procedure

For all XCO races, the start procedure will be conducted according to the following UCI MTB Regulations:

4.1.030. For Olympic Games, World Championships, World Cup and Continental Championship events and hors class events, the organizer must make provisions for a call-up area which is sufficiently large for riders to warm up in, close to the start zone.

4.1.031. In mass start events, riders must be called to the start no earlier than 20 minutes before the scheduled start of the race. This period can be reduced where the number of riders allows.

Five minutes before the call-up an announcement must be made over the public address system to inform riders of the fact, and again three minutes beforehand.

The riders line up in the order in which they are to be called to the start line. The number of riders on each line is decided by the President of the Commissaires' panel and supervised by a commissaire. The rider himself decides which position on the line to take.

Once the riders are lined up, warm-up (by rollers, turbo trainer etc.) is excluded inside or outside the start area.

The start is given by the commissaire using the following the procedure: warnings at 3, 2, 1 minutes and 30 seconds before the start, then a final announcement that the start is given within the next 15 seconds.

A starting pistol or start lights, if none is available, a whistle will be used to give the start.

4.1.033. The start briefing will be given in at least one of the official languages of the UCI.

4.2 XCC and XCO race numbers

Race numbers are distributed according to the latest updated UCI XCO ranking, unclassified riders: by nations in rotation.

4.3 XCC Special Procedures

if qualification needed

If more than 40 riders are entered and confirmed, qualification heats will be organised Qualification (if needed) will be organised on Wednesday afternoon.

- For each qualifying heat there will be a maximum of 40 starters (or the number closest to 40);
- The qualified for each heats will be determined according to the number of qualifying heats until the number closest to 40 for the final is reached

- The Heats will be composed by alternating numbers in sequence; below is an example example diagram with 3 Heats:

		HEAT		
		A	B	C
BIB	1	2	3	
	4	5	6	
	7	8	9	
	etc.			

For the final:

a) if qualification needed

Call up by qualifying heats results: 1st places by time, 2nd places by time, 3rd places by time, etc.

b) if no qualification needed

Call up in the direct final: race numbers according to the latest updated UCI XCO ranking, unclassified riders: by nations in rotation

To note that the bike used for Cross Country Short Track does not have to be the same as the bike used for Cross-Country Olympique.

ARTICLE 6. TECHNICAL ASSISTANCE

The following UCI Regulations will be applicable:

- 4.2.036. For cross-country short track (XCC) events, a feed/technical assistance zone is not allowed.
- 4.2.038. The feed/technical assistance zones must be wide and long enough to allow the passing of riders not stopping in the zone.
In case a pit lane is implemented, the riders are not allowed to use it to gain advantage in the race. Should the riders take the pit lane for no valid reason, the commissaires may disqualify them.
- 4.2.044. No rider may turn back on the course to reach a feed/technical assistance zone. Any rider doing so is disqualified. Only within the feed/technical assistance zone itself, a rider may turn back without obstructing other competitors.
- 4.2.045. Technical assistance during a race is permitted subject to the conditions below.
- 4.2.046. Authorized technical assistance during a race consists of repairs to or the replacement of any part of the bicycle other than the frame. Bike changes are not permitted, and the rider must cross the finishing line with the same handlebar number plate that he/she had at the start.
- 4.2.047. Technical assistance can only be given in the feed/technical assistance zones.
- 4.2.048. Spare equipment and tools for repairs must be kept in these zones. Repairs and equipment changes can be carried out by the rider himself or with the help of a teammate, team mechanic or neutral technical assistance.
- 4.2.049. In addition to technical assistance in feed zones, technical assistance is permitted outside these zones only between riders who are members of the same UCI ELITEMTB team, UCI MTB team or of the same national team.

During the European Championships, technical assistance is only authorized between riders of the same national team, racing in the same category.

Riders may carry tools and spare parts if these do not involve any danger to the rider himself or the other competitors.

ARTICLE 7. TECHNICAL ASSISTANCE / FEEDING ZONES

In XCO races, two single, or one double, feed/technical assistance zones will be organized.

The location of the feed/technical assistance / feeding zones will be shown in the official race maps. Feed/technical assistance zone passes will be distributed immediately after the Team Managers meeting.

ARTICLE 8. AWARDS CEREMONIES

In accordance with articles 1.2.112 and 1.2.113 of the UCI Regulations, the 3 best riders of each category must attend the official awards ceremony, any interviews organized and/or press conference.

Riders shall appear in racing attire, wearing their national team jerseys but bare-headed and without headband or glasses, until they leave the official ceremony enclosure.

Within 10 minutes following the end of each speciality (unless otherwise provided and duly recorded in an official communiqué), the European Champion, or the European Champion team of the team relay, as well as the second and the third placed riders shall be ready for the official ceremony that shall be under the responsibility of the National Team Manager.
