Location: Konya Velodrome

Team managers must confirm all starters, presenting all licenses and provide a sample of teams' apparel.

Moreover, to accelerate the preparation of the start lists we would be grateful if each nation could provide us a list with the best time/result realized by their riders in timed events.

3.5. TEAM MANAGERS MEETING

Date: Saturday 31 January Time: 19:00

Location: Konya Velodrome

Riders' numbers will be distributed after that meeting.

Attendance is required by:

- UCI and National Commissaires
- Team Managers
- Event Director
- UEC Track Coordinator

3.6. TEAM PARKING AREA

On-site parking is limited. Teams with less than 6 riders will receive one (1) vehicle parking pass and others will receive two (2). The parking pass must be always visible in the parked vehicle. Parking passes can be picked up at the accreditation centre.

3.7. TEAMS STORAGE AREA

Teams can access the storage compound from **January 27 to February 6, between 09:00 and 20:00**. The Team Cabin Coordinator will meet each team during **these working hours** and lead them to their designated cabin. It is crucial that teams only use the cabin assigned to them, as some smaller teams may have to share cabins due to space constraints and the number of teams entered.

A security deposit of €50 in cash per key is required. Teams must sign their key back in by **10:00 on Friday, February 6th, at the latest.**

Lost or unreturned keys will result in a charge of €50 per key. The deposit will be refunded once the team cabin has been inspected and left in the same condition as when it was issued. If the team cabin sustains any damage, the deposit will not be refunded, and additional repair costs may be incurred.

A replacement key is available from the Team Cabin Coordinator if a key is lost. Teams are responsible for replacing lost keys, which is €50 per key.

Should you need access to storage prior to Thursday 29 January, please contact at info@turkishcycling.com

3.8. TEAM BOXES (infield)

Infield boxes will be available from **Thursday, 29 January**. The Velodrome will be open from **09:00 until 19:00**. Team boxes are allocated in the infield, considering the size of each team. Due to the large number of people in the track centre, the space is limited, and we ask you to keep to your allocated area.

Fire Regulations insist that corridors in the track are maintained for emergency evacuation purposes. To ensure the track centre can be cleared quickly and safely in an emergency, please ensure that equipment does not excessively narrow or block walkways. Team boxes will have one table and chairs. No furniture is to be removed from the allocated box or chained up.

Power supply in team boxes

Teams boxes will be powered with 220V, standard 2-pin outlet. The venue requires that all electrical equipment meets standards to meet safety requirements. Teams must have all appliances tested and tagged by a qualified electrician. Please do not plug extension leads into this socket or kettles, coffee machines, or fan heaters, as they use high power consumption and may cause the supply to fail.

3.9. TEAMS CHANGING ROOMS

There are male and female changing rooms and shower facilities available at the ground level.

3.10. TEAM PERFORMANCE ANALYSTS

There will be a reserved area for performance analysts on the back straight, equipped with platforms and power outlets only. Availability is limited to 15 spots and reservations will be made on a first-come, first-served basis. Booking is free of charge; however, teams wishing to reserve a spot must send an email to info@turkishcycling.com with the subject line "Performance Analysts".

4. MEDIA

4.1. MEDIA CENTRE

The Media Centre is located at the infield.

In order to access the Media Centre an accreditation is necessary. To apply for media accreditation, please visit the UEC website www.uec.ch

Media accreditation and photographers' bib's can be collected during the opening hours of the accreditation centre or at the media permanence. €50/CHF 50 will be requested for the bib as deposit. It will be refunded when the bib will be returned.

Please ensure that you collect your accreditation as soon as you arrive at the velodrome as it will be required for access to all parts of the venue. Accreditations must be worn and visible whenever you pass through accreditation controls.
