## Auditor's report

In accordance with your instructions, we have reviewed the financial statements (balance sheet, income statement) of UNION EUROPEENNE DE CYCLISME (UEC) for the year ended 31 December 2019.

These financial statements are the responsibility of the Management Committee. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with Swiss Auditing Standard 910 applicable to review engagements. This standard requires that we plan and perform the review to obtain assurance that the financial statements are free from material misstatements, although not with the same level of assurance obtained from an audit. A review is limited primarily to inquiries of personnel and analytical procedures applied to financial data. We have performed a review and not an audit and, accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the financial statements do not comply with Swiss law and the company's articles of incorporation.
